# FURNITURE GUEST ROOM

## FURNITURE

Our furnitures are carefully crafted to ensure functionality and durability as well as aesthetics and highest industrial standards.

## FURNITURE

However we have a deep appreciation of the challenges and rewards of design process and therefore offer an unmatched service with no extra cost to our clients wherever needed.

We understand the value of unique design and engineering based on a cost effective and functional approach to each and every project.

## FURNITURE

We offer unrivalled cost effective solutions for our clients' projects as we have the manufacturing capacity and the skills in our fully integrated factories based Istanbul Turkey.

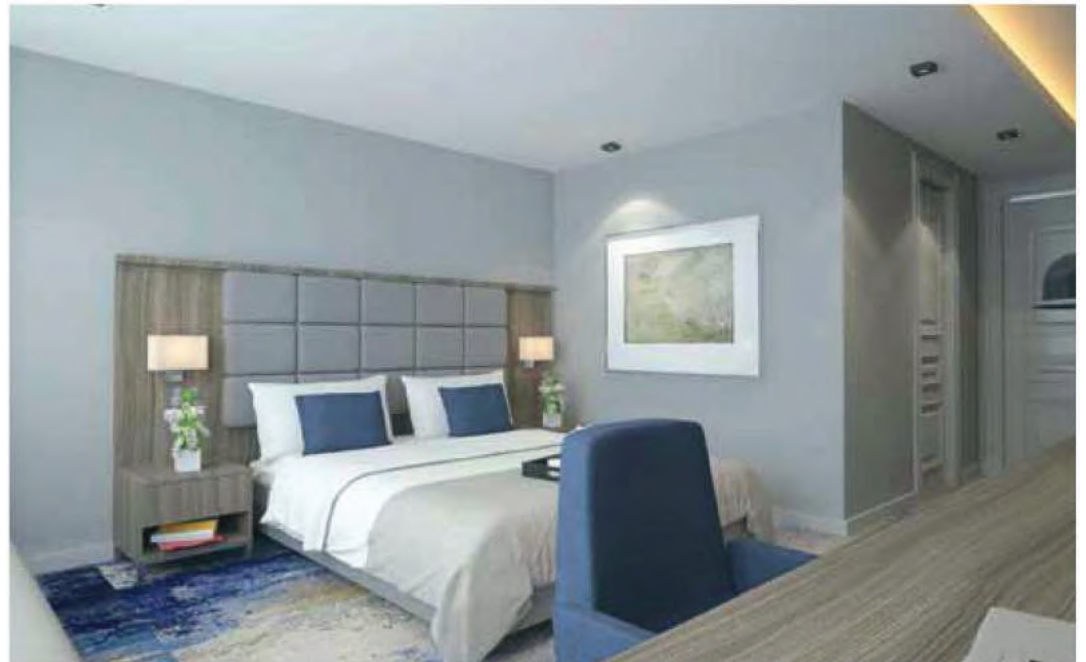

## FURNIJURE

For over ten years our textile and furniture products have taken top value positions in many international hospitality and contract projects.

# FURNITURE PUBLIC AREA & OUTDOOR

## FURNITURE

We have been able to offer turn key projects not only for guest rooms but all public and outdoor areas too.

## FURNITURE

We have an incredibly good team who takes pride in its work. Our goal is to help you stretch your imagination and create an original, innovative custom look.

## FURNITURE

Our technical team is capable of setting up, installing and fitting furnitures, walls and floors almost anywhere in the whole of Europe, North Africa and Middle East.

FURNITURE

We offer an after sales service, additional accessories and maintenance to our clients in a warranty limited to two years as an international industrial standard.

# DECORATION

Our knowledge of client's needs and our dedication to fulfilling the client's design wishes set us apart. Personal service and project management is a key priority for AFERKO Office Furniture.

Working alongside client's architects and designers, we deliver a dedicated service and project development assistance throughout the design, construction and installation process.

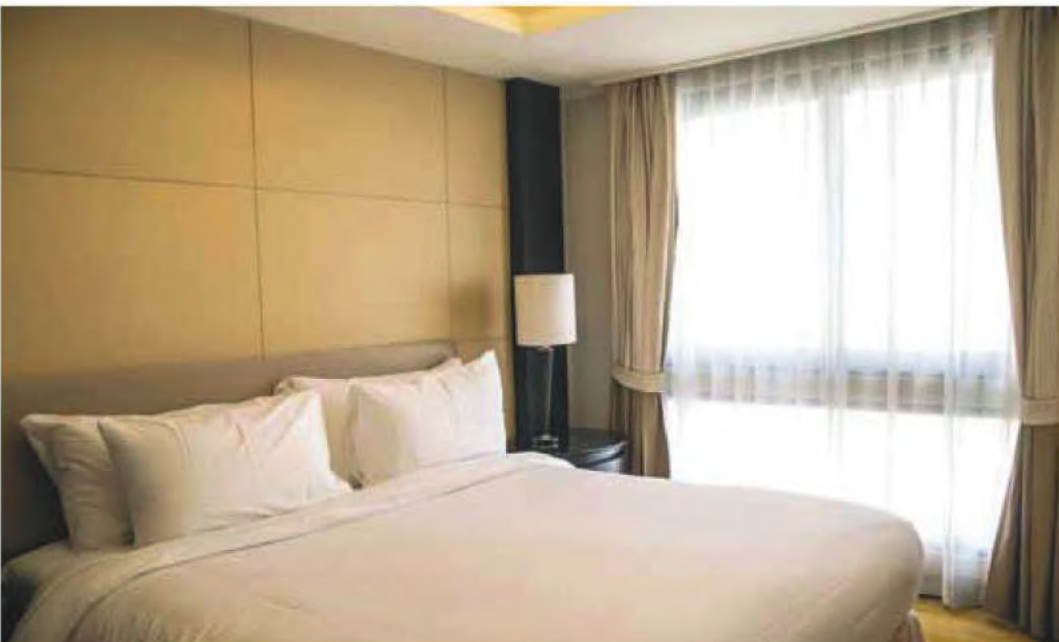

Coming from a strong textile production tradition we are able to offer the highest quality and design standards for all of our textile products. All fabrics we use in curtains and upholstery are our own production and outdoor fabrics are sourced from the best global producers. Principally we never sacrifice from quality for price.

## DECORATION

Functionality and beauty is typical for our fabrics. Our upholstery products meet the highest requirements for the contract market, therefore our fabrics are suitable for intensive use, durable, fire retardant, lightfast and tear-resistant. The fabrics meet all functional and aesthetic requirements of the contract market.

We offer unique design and production solutions at the highest industrial, technical quality and all major global performance standards such as NFPA 701, M1,81, 855852, CRIBS and IMO.

We have over 15 0 0 stocked items available for a 4 8 hour delivery for your particular requirements and mostly deliver bulks from inhouse production within a month.

We are proud of our level of customer satisfaction and are constantly seeking new yarns and finishing developments to ensure continuous flow of our new and advanced product offerings to our partners worldwide.

## DECORATION

Our textile cut and sew production includes bed covers, curtains, throw cushions and bed runners custom made and personalised to your choice.

# ACCESSORIES

Our product listings increase in number and variety every year with new and innovative product updates.

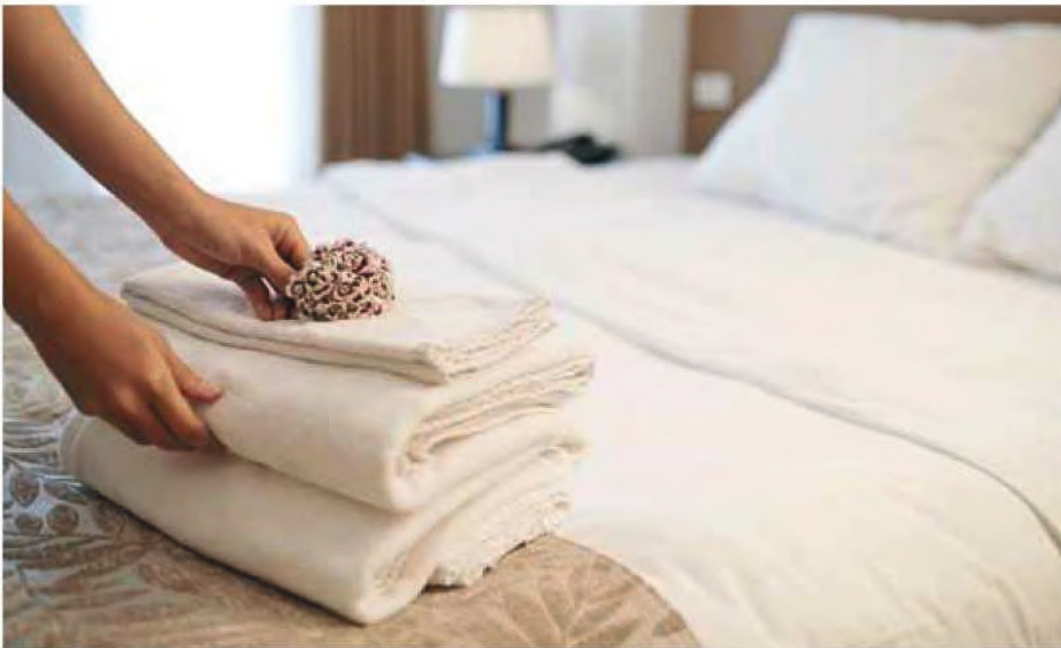

# BATH & TOWEL

We also offer a wide variety of standard and custom made bed and bath linen and towels with the highest international and industrial standards.

We offer you the most competitive product cost/value rate on all bed and bath products.

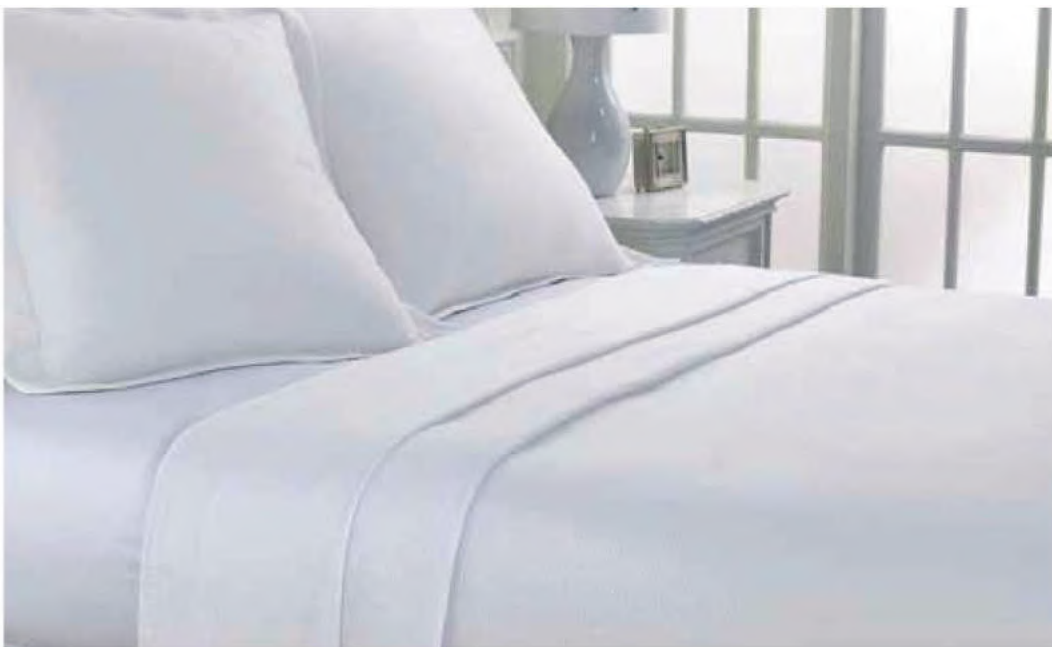

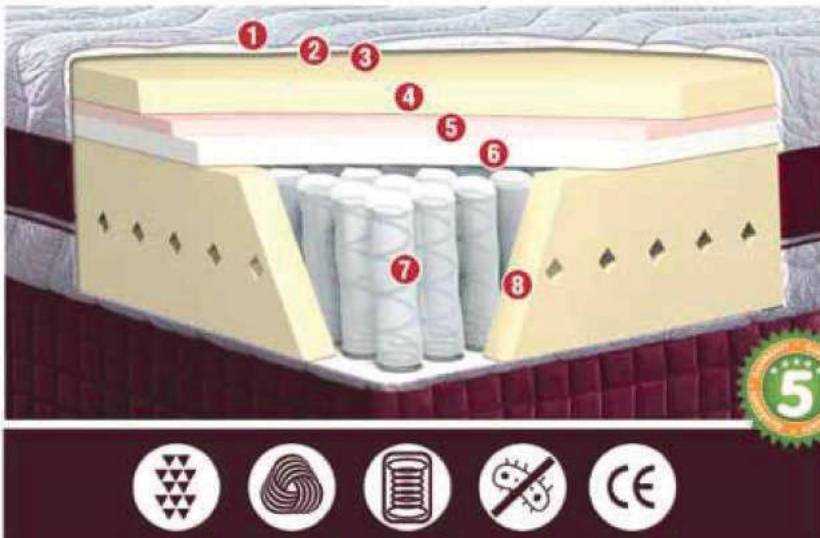

# BED QUILT & PILLOW

All our products  
are custom made,  
personalised,  
developed and  
produced uniquely  
for every  
individual project.

TABLE &  
DECORATION

Our table decoration collection includes Cold Wash Easy Care, Polyester Cotton fabrics in 22 standard colors.

Cold Wash Easy Care technology allows the fabrics to be washed in 30° C whilst the Easy Care Bionic Finish ensures water and stain repellency.

This amazing product is guaranteeing a much smaller carbon foot print whilst saving money for hospitality institutions.

Our expertise in other contract projects
